Mission Statement:

The mission of Reading Recreation is to provide the community with year round recreational activities. The Division believes programs should be broad based to meet the recreational needs of all segments of the population. The Recreation Division must continually strive to update and modify programs to meet the community's needs. As Reading's participation and awareness of local recreational programs increase, so do expectations. The Recreation Division strives to be ready to anticipate and adapt to these expectations.

Enrollment Policy:

The Recreation Division programs are offered to Reading and Non-Reading Residents unless otherwise noted in the program description. Programs in high demand will give priority to Reading Residents and students currently enrolled in the Reading Public School System. At the Recreation Administrator's discretion, some Recreation sponsored events may only be open to Reading residents. Non-Reading Residents will be charged a \$5 fee upon registration.

Online Registration

Most programs are available to be registered for on-line @ www.readingrec.com. Programs that offer special discounts will need to be paid for directly at the Recreation Division as discounts can not be taken on-line. Patrons can still fill out the form on-line and mail or hand deliver the form and payment to the office.

Refunds:

The Recreation Division must meet instructional and other overhead costs. Refunds for Reading Recreation Division run programs will be granted according to the programs individual requirements. Please see the program write-up for more specific refund policies if applicable. If you are dissatisfied with any program, please let us know before the start of the second class for a pro-rated refund. No refunds are granted for single session programs. For events such as trips and special events, refunds will not be granted. Refunds will be granted in the case of illness or injury, a doctor's note may be required. Refunds will be given if the Reading Recreation Division due to low enrollment cancels a program. A \$10 administrative fee will be assessed to all refunds except for those that are cancelled by the Recreation Division.

Credit Card Refunds:

The Reading Recreation Division will only issue credit card refunds if the Recreation Division made a charge error. Participants who request refunds will receive a credit voucher for future Recreation Programs or a check in the mail. Families may not transfer credits to other families. A \$10 administrative fee will be assessed to all refunds, except those programs cancelled by the Reading Recreation Division.

Payment:

All checks are payable to the Town of Reading unless otherwise indicated in the program description. Cash, VISA, Mastercard or Discover also accepted: Please do not mail cash. Full payment must accompany registration unless otherwise stated in the brochure. For payment plan information contact the Recreation Division. We accept:

Visit our Website:

www.readingrec.com

You will find updated programming information, park information and links to the rest of the Town. The Recreation Division website is updated on an ongoing basis, so check back frequently for event and program updates.

Where Are We?

The Reading Recreation Division is located in the Basement level of Town Hall on 16 Lowell Street. Just follow the signs when you come in the door! We are located in the same office as the Department of Public Works.

Program Confirmations:

The Reading Recreation Division does not send confirmation for most programs. If you have registered for a program, we will contact you only if there is a problem with your registration. Please assume you are registered for the program you selected, if you don't hear from us! It is recommended to confirm faxed registrations to ensure we have received them.

Typo, Human Errors, or We Goofed...!?

Occasionally there may be an error or change in the day, times, fees or location in the brochure. If so, we will do everything possible to correct the situation promptly. Thank you for your patience and understanding should these situations arise.

Financial Assistance:

Full and partial financial aid packets are available for all Recreation Programs for Reading Residents. Please contact the Recreation Division for more details. Payment plans are for Reading Residents.

Cancellations:

The Recreation Division may have to cancel or postpone a course due to low enrollment. If a long-term program must cancel a session due to inclement weather or other unforeseen circumstances, refunds will not be given. Every attempt will be made possible to make up the session. If you are not sure if a program has been cancelled you can call 781-942-9075. You can also check your email account only if you have registered on-line.

Non-Resident Fees:

Non-Reading Residents will be charged a \$5 fee upon registration on most programs.

READING ROCKET BIRTHDAY PARTIES

AGES 6 - 12

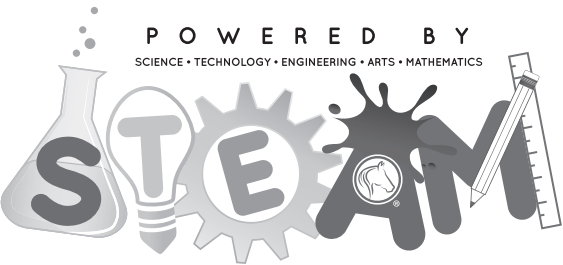

NEW! Reading Recreation is happy to announce that we will be providing outdoor sports birthday parties starting in June! All parties will be for ages 6-12 and will be 2 hours in length. Our sports party coordinator, Paul Orlando, will run a fun and active 1 ½ hours of the sport(s) of your choosing. Sports party options include but are not limited to: basketball, dodgeball, handball, and soccer. After your specialized time in sports, your party can enjoy the outdoors for another hour while children enjoy snacks, pizza, and/or cake.

All parties must have no more than 20 children. Please note that food is not included by the Recreation Division. Day, times and locations can be flexible but will be based on instructor availability. Parties will be rescheduled if there is inclement weather.

Fee: \$225 (includes party coordinator and field rental)

PROGRAM HIGHLIGHTS

ELITE FOOTBALL CLINIC

Reading Recreation is excited to team up with Endicott College Head Coach and Reading native, Paul McGonagle, for a specialized elite football training clinic at the Reading Memorial High School Stadium Field for grades 7th - 12th.

Coach McGonagle, along with other talented collegiate coaches and staff, will give each athlete focused, position-specific technique training. These concentrated training sessions will give each participant an opportunity to advance in their current position or explore a different position. All Clinic athletes will also spend time with a certified strength and conditioning coach.

Jenna Fiorente, the Recreation Administrator for the Recreation Division, says, "The Division sees this as a valuable opportunity to work with the talented Coach McGonagle. We do not currently have many programs that are geared toward the middle school and high school ages. This football clinic will be a tremendous addition to our current offerings and the youth will be very lucky to learn from such great coaches and staff."

The clinic will run Monday, July 15th - Thursday, July 18th from 6:30pm - 8:30pm. Space is limited to ensure quality training to each athlete. For more information or to register visit www.readingrec.com or call the Recreation office at (781) 942-9075.

More about Coach McGonagle:

- Over 19 years of college coaching experience
- Gridiron Club NCAA Division II/III Head Coach of the Year Award 2018
- Gridiron Club NCAA Division II/III Assistant Coach of the Year Award in 2016
- CCC Conference Coach of the Year 2018
- NCAA Playoff appearances
- Teams ranked in top #25 national poll
- Coached numerous All-Americans, Offensive Players of the Year, All-Conference players and NFL Draft selections.
- Other stops Assumption College, Bentley University, Bucknell University, Eastern Kentucky University, Fitchburg State University, Northeastern University and Stony Brook University
- Division I collegiate athlete playing at the University of Kentucky and was a teammate of former top draft pick Tim Couch.

SPRING SPORTS PROGRAMS

SUPER SOCCER STARS

AGES 2 - 7

Our classes begin with a warm welcome that incorporates a song for the younger age groups. The classes then kick off with stimulating warm-up games followed by a muscle-warming stretch to get everyone ready for action. Individual, partner and group activities are introduced in a non-competitive environment to optimize the experience for each child. Every session culminates in a scrimmage game to familiarize each child with the structure of a game setting, while always encouraging our younger kickers with positive reinforcement.

Dates: Saturdays, May 4th – June 15th
(No Class May 25th on Memorial Day Weekend)

SPRING SPORTS PROGRAMS

PLAY GYM WITH READING GYMNASTICS

AGES 1 - 3

PlayGym is a wonderful, warm experience for Mom, Dad or Grandparents with their 1-3 year olds to enjoy a real learning experience that will give the child self-confidence, coordination and further develop the motor skills. Each week, your child and you will explore activities to encourage physical and mental development geared to his/her age, ability and attention span. Children are thoroughly delighted to come into the gym. They learn and play on special down-sized equipment, explore tunnels, climb ladders, run through the parachute waves and roll down the hills -- always with great encouragement to develop self-confidence while working on motor skills. All new participants will be required to pay an additional \$39 registration fee to Reading Gymnastics Academy on the first day of class.

Date: Thursdays, April 11th - June 13th
Time: 11:00AM - 12:00PM
Fee: \$135 per participant
Location: Reading Gymnastics Academy
35 Concord Street, North Reading
Min. 7/Max. 20

JUNIOR GYM WITH READING GYMNASTICS

AGES 3 - 6

Children will use special down-sized equipment or obstacle course setups to explore, while learning. Most parents are surprised to learn how strong and flexible their gymnasts can be. Not only does the gymnast gain self-confidence, but they work on major motor skills and coordination. All new participants will be required to pay an additional \$39 registration fee to Reading Gymnastics Academy on the first day of class.

Date: Thursdays, April 11th - June 13th
Time: 11:00AM - 12:00PM
Fee: \$145 per participant
Location: Reading Gymnastics Academy
35 Concord Street, North Reading
Min. 7/Max. 20

SPRING TRACK & FIELD

GRADES 1ST - 5TH & 6TH - 8TH

This program is designed to teach youngsters about the sport of track and field. This program will be run by Coach Alison Connelly, who is a fitness coach and avid competitive runner. Alison has her running coach certification and will educate the young runners on the various running events in track as well as introduce them to some field events.

Please note that dates are subject to change based on High School Games played at the Stadium Field. Games are sometimes moved to later times and the High School always takes priority on our fields. Also, please be aware that we do our best to schedule make-ups but they are not guaranteed based on field and instructor availability.

Dates:

Thursdays, April 25th – May 23rd

Times:

Grades 1-5: 6:00PM - 7:00PM
Grades 6-8: 7:00PM - 8:00PM

SPRING YOUTH TENNIS

SPRING TENNIS PROGRAM

AGES 3.5 - 18

Reading Recreation and USPTA Tennis Professional Gregg Luongo are teaming up again to bring you this Spring time favorite. The Spring program is a great way to introduce or build upon existing tennis skills. A session consists of 6 group lessons on a weekly basis. Participants may choose any day or days during the week Monday through Friday throughout May and June. Registration is on a first come, first serve basis. The ratio of participants to instructors in a given session will be a minimum of 4:1 and a maximum of 8:1.

Parents are asked to place children respective to their age and ability. If a child is misplaced, she/he may be switched. Please contact Gregg Luongo with any questions at rectennisgregg@gmail.com.

LEVELS AND AGES

Tiny Tots : (AGES 3.5 - 5)

This group is designed to introduce younger children to the game of tennis and to have fun on a tennis court. Games will be designed to promote fundamentals and interest in the sport. Children will begin to develop movement skills, hand eye-coordination, and basic stroke production. This is a great age for children to learn these skills which can help in all aspects of sports play.

Quickstart: (AGES 6 – 8)

For children who are ready to learn and develop basic fundamentals of forehands, backhands, serves, and volleys for practice drills and skill games. Players at the higher level will be developing skills in rallying, control, and point play.

Quickstart: (AGES 9 – 11)

For children who are ready to learn and develop basic fundamentals of forehands, backhands, serves, and volleys for practice drills and skill games. Players at the higher level will be developing skills in rallying, control, and point play.

Quickstart: (AGES 12 – 18)

For children who are ready to learn and develop basic fundamentals of forehands, backhands, serves, and volleys for practice drills and skill games. Players at a higher level will be developing skills in rallying, control, and point play. This is a great class for those looking ahead to high school tennis.

BEAUTIFUL GAME SOCCER CLINICS

BEAUTIFUL GAME SOCCER ACADEMY

BOYS AND GIRLS AGES 6 - 12

Our program will provide each player with the opportunity to enhance their individual skills, develop confidence in the small sided environment and have a ton of FUN. In addition we will empower each player to think creatively and outside the box. We want players to problem solve and come up with solutions without being shouted at by a coach or parent. We will provide a playing environment where games and activities take the place of lines and lectures. Players will enjoy the experience of learning under the professional guidance of Reading's very own, Paul Orlando, current JV Coach at Reading High School and a tremendous coaching staff led by John Barata (USSF A License, NSCAA Premier, US National Youth License). Our innovative clinic curriculum will feature all components of the modern game from technical skill development to real game tactical situations. Please join us for age appropriate FUN! All Players should bring a non-refrigerated snack and lunch each day.

BEAUTIFUL GAME SOCCER ACADEMY

ADVANCED PLAYER CLINIC

BOYS AND GIRLS AGES 9 - 13

Beautiful Game Soccer Academy presents the Advanced Player Clinic. This co-ed program is designed for higher level players ages 9 to 13. Most clinic participants have been playing soccer for at least 2-3 years. This clinic's format is divided into two distinct categories. The first part of the morning session will be centered around technical training and developing skills that will help a player perform at their next level. The 2nd part of the morning we will focus on strategies and tactical understanding of the game. Our coaches will guide each player on a daily basis to reach new heights and strive for new goals.

Our coaches are experienced, licensed, well trained and will provide a clinic atmosphere that is fun and challenging. Coaches will monitor progress and provide all players an opportunity to get feedback both oral and written. To ensure proper training we strive to keep our coach to player ratio at no more than 1: 15.

Technique Training includes: Advanced dribbling (change of direction moves/take on moves), passing, receiving, shooting in and around the box, crossing, heading, volleys, tackling, air balls and more.

Tactical Training includes: attacking and defending in small groups, introduce and review the principles of play, set plays, team shape, movement of the ball, combination plays and more.

Dates: Monday, Aug. 19th - Wednesday, Aug. 21st

Time: 9:00AM - 12:00PM

Fee: \$155 per participant

PARKOUR

AGES 7 - 13

Parkour was born in the banlieus (suburbs) of Paris in the 1980s and is now one of the fastest growing sports. While often recognized in the fantastic images seen on Youtube or television, the sport is actually a form of movement that has roots in a wide variety of physical disciplines including gymnastics, martial arts, climbing, and track & field. We are hoping that this introductory 4-day clinic will peak your child's interest in this dynamic sport.

AGENT TRAINING

AGES 12 - 15

Preparing the next generation of problem-solvers, YHA Agent Training teaches kids to build cool video games about big challenges facing the world today, such as climate change, homelessness, and endangered wildlife. Whether it's public speaking or collaborating with peers, YHA models essential leadership techniques that will immediately help students in and out of the classroom. Agents tackle daily missions using Scratch, a fun programming tool that empowers students to quickly start developing their own games and interactive stories. The challenge is to come up with a project that will not only entertain their friends, but also teach something about important topics that are impacting our local and global community. For YHA alums and students with advanced Scratch skills, AT Plus projects will also be offered for higher complexity and game customization.

Dates: Monday, July 8th - Friday, July 12th
Time: 9:00AM - 4:00PM
Fee: \$315 per participant

SPECTACULAR HANDS-ON SCIENCE

GRADES K - 5TH

Come join this very cool and fun summer program! Top Secret Science (www.TopSecretScience.com) has worked hands-on with over 1,000,000 local children. Each day the kids will explore up to 20 weird and wacky hands-on science experiments and will make and take home at least 8 different projects. The scientists are fast paced and funny and your kids will be thoroughly entertained (they'll even learn some interesting things too). We will explore weird motions and flying things, air and water pressure; crazy chemistry, light and sound, science magic, electricity, magnets, astronomy and more. Be prepared for lots of fun stuff. A wonderful 6 hours of science each day and 50% different than last year.

NEW SCIENSATIONAL PROGRAMS

MAKE IT AND TAKE IT HOME SCIENCE PROJECTS

AGES 6 - 11

In this hands-on, fun, and exciting program, you will discover how amazing science is. You will make and take home a wide assortment of toys designed

to teach you science concepts in a hands-on way. Grow and take home a crystal tree. Make an energy bead bracelet and watch as those amazing beads turn from white to a rainbow of colors before your eyes. Build a working electric motor. Make your own sharpie pen T-shirt and learn some cool chemistry (student supplies a 100% cotton T-shirt). Make your own bubbling blobs and explore the properties of a density tube. Make silly putty—glowing goo—green flubber and other cool projects. By the way...we will make ice cream in our own amazing, different, Sciensational way!

Dates: Monday, July 15th - Friday, July 19th
Time: 9:00AM - 12:00PM
Fee: \$165 per participant
Location: Barrows Elementary School Cafeteria
Min. 8/ Max. 20

EGYPTIAN DIG

AGES 6 - 11

Children discover the amazing science of Archaeology as they uncover ancient artifacts. In doing this, we will learn about Egyptian life. We will excavate with tools like a real archaeologist uses. We will find the following artifacts as we excavate a scarab (what's that?), hieroglyphic tablet, ankh symbol and a jackal. You will learn about this and even take home a booklet. The artifacts are yours to keep. We will wet the sand that we dig into and create one or two sand sculptures for display. You can make a pyramid as well as a sphinx. Let's go back in time with a hands on archaeological experience!

Dates: Monday, July 15th - Friday, July 19th
Time: 1:00PM - 4:00PM
Fee: \$165 per participant
Location: Barrows Elementary School Cafeteria
Min. 8/ Max. 20

AMAZING 4 IN 1 ROBOT

AGES 6 - 11

Build your own interchangeable robot to take home with four unique modes. It is truly a four-in-one motorized robot kit. Learn how the different gears work as you are building. You will be building the Cricket--a joy on six legs. Build the Beast. It is a master of bi-pedal movement. You better not get in its way! You will also build the Trailer--the little engine that could move forward thanks to its motorized transmission. Finally, the best of all, Grandpa-Bot Robot. It has huge eyes and is everyone's favorite bobble-headed, gear driven family member. It is easy transforming between the four modes. Gain confidence, self esteem, and celebrate as you are the architect that built it. Plus have fun building a wide range of additional robotic designs with the Robotic Building System--Sumo wrestling matches, races and much more. Robots built in this portion of the workshop are not taken home. Have fun, learn, and have hands on experience the Sciensational way!

Dates: Monday, July 29th - Friday, August 2nd
Time: 9:00AM - 12:00PM
Fee: \$165 per participant
Location: Barrows Elementary School Cafeteria
Min. 8/ Max. 20

BRICK BUILDING WITH LIGHTS AND SOUND

AGES 6 - 11

How about becoming an architect and electronics scientist. Combine everything into one. Make endless combinations of brick construction and electronics. Invent anything and make it work all by doing it the Sciensational Way!! How about building your own light post with color effects. Build and design your own brick tower, light it up, play music, and turn on your LED'S. Build your own brick bridge with melody and sound. Construct a brick mammal, a three level house, and light house. Put in overhead lights. Now it is your time to design, think, and use your inventors skills. The sky is the limit! All of this you take home. STEAM your way to the future!

Dates: Monday, July 29th - Friday, August 2nd
Time: 1:00PM - 4:00PM
Fee: \$165 per participant
Location: Barrows Elementary School Cafeteria
Min. 8/ Max. 20

CIRCUIT LAB PROGRAMS

CIRCUIT MAKERS 101

GRADES 1ST - 3RD

Let's get creative with electricity! In this version of our Hands-On Electronics class, students will gain experience with electronics by designing custom light-up greeting cards, electric games, mazes, and even musical instruments. Each class day includes a circuitry lesson and

a hands-on electronics project, using components like lights, buzzers, switches, motors, and sensors. Circuit Lab staff will make sure participants create a project that they can be proud of each day. Most class days include a take-home project.

Dates: Monday, June 24th - Friday, June 28th

Time: 9:00AM - 12:00PM

Fee: \$185 per participant

Location: Barrows Elementary School Cafeteria
Min. 7/ Max. 20

SCRATCH PROGRAMMING

GRADES 3RD - 5TH

Let's write some code! In this class, designed for computer programming beginners, we will use the Scratch programming language to create interactive stories, animations, and even custom computer games. Scratch was developed by MIT, and has a user-friendly interface that is fun and intuitive. Through their projects, participants will also develop logical thinking skills and an understanding of how computers work. No previous programming experience is necessary. At the end of the class, participants can keep copies of their programs to take home or continue developing in the online Scratch community.

Dates: Monday, June 24th - Friday, June 28th

Time: 1:00PM - 4:00PM

Fee: \$185 per participant

Location: Barrows Elementary School Cafeteria
Min. 7/ Max. 20

HANDS-ON ELECTRONICS & APP INVENTORS!

GRADES 3RD - 6TH

Tinker with electronics while learning the basics of computer programming. We begin by experimenting with the fundamentals of electronics and circuitry, and step up to projects where our class of young makers will design their own interactive and programmable devices. Participants use the latest tools including Arduino (for building interactive devices) and Raspberry Pi (for learning about computers and coding) to experiment with LEDs, resistors, motors, and programming. Each morning will give participants the chance to design a hands-on project with the guidance of skilled Circuit Lab instructors.

Each afternoon we will explore APPS! Want to know how the apps work on your phone or iPad? Or do you already have the next great app idea, and just need to know how to make it? In this no-experience required course, we use MIT App Inventor software to make fun, creative apps for Android phones and tablets. Participants will learn both the programming and design aspects of creating great apps, and have the opportunity to build apps of their own design with the support of Circuit Lab instructors.

Please note that the half day option will feature only hands-on electronics programming

Dates: Monday, August 19th - Friday, August 23rd
